EXPERIENCE

Graduate Assistant Aug 2018 - Present
University of Maryland, College Park | Division of IT

- Generating and analyzing reports for the University's Service Desk and Tech Store.
- Working with the IT Division developers on redesigning internal websites.

Experience Design Intern Jun 2019 - Aug 2019
Adobe, San Francisco | Adobe XD

- Ideated and designed a feature for Adobe XD that enables more iteration and collaboration among designers.

Senior UX Designer Jan 2017 - May 2018
NoBroker, Bangalore | Real Estate Startup

- Worked closely with the CTO and Product team to define requirements and design new products and features in an agile UX environment.
- Led the design efforts for the NoBroker iOS app.
- Led the design for 2 out of 3 components of the 'NoBrokerHOOD Visitor & Community Management System' apps on iOS and Android.

Interaction Designer Apr 2015 - Jul 2016
Zeta, Bangalore | FinTech Startup

- Worked with the Product Managers to define feature specifications.
- Created user stories, flows, wireframes and clickable prototypes.

Specialist - UX Design and Product Strategy Oct 2014 - Mar 2015
Tapplent, Bangalore | HR Technology Startup

- Was single-handedly in-charge of the interaction design of the entire suite of products across web and mobile.
- As a Product Manager/Strategist, I liaised between domain experts and the tech team to outline product features and specifications.

Senior Software Engineer - UI Apr 2012 - Sep 2014
Borqs, Bangalore | Android Software Solutions

- UI Design and Development on Android

Systems Software Engineer Jul 2010 - Apr 2012
Hewlett-Packard Enterprise, Bangalore | Enterprise Storage Division

- Quality assurance and testing for HP Enterprise Storage software.
